

450U Dump Body

*A continued tradition
since the early 1900's*

Tough & Versatile

The Galion 450U is a heavy duty body that "beats the cold" during low temperature use. The 450U is well suited for aggregate hauling/spreading, construction and batching work...at any time of the year, anywhere on the globe! This heavy duty body features full depth rear corner posts and bolster, a 6-panel tailgate and continuous weld throughout.

- *Standard heated body*
- *Material-shedding boxed top rails*
- *3/16" floor 400BHN*
- *10 gauge sides 100k p.s.i.*
- *Crossmemberless understructure*
- *6-panel tailgate*
- *Tarp-friendly upper gate hardware*
- *Double acting tailgate*

450U

A 24" cab protector is optional equipment on the 450U
